Over 100 countries have agreed to improve the lives of people with disabilities by signing the **United Nations Convention on the Rights of Persons with Disabilities. (UNCRPD)**

Australia has signed the Convention and must now do what the Convention says. The Convention has 50 Articles that say what governments should be doing.

The UNCRPD is all about YOUR RIGHTS!

**Nothing about us
without us**

The Convention says you must be included in all decisions about your life.

United Nations

Facts: Important Rights

The Convention has 50 Articles.

Here is a list of the key rights from the UNCRPD.

United Nations Convention on the Rights of Persons with Disabilities.

Article 5		Equality and non-discrimination This means you should have equal rights and the law should protect you from discrimination.
Article 6		Women with disabilities This means that women and girls with disabilities are more at risk so there should be special laws to protect them.
Article 7		Children with disabilities The needs of children with disabilities should be respected and have special considerations.
Article 8		Community Awareness The government must teach the community about disability.
Article 9		Accessibility This means that governments must provide things like ramps & also provide you with information in a way you can understand.
Article 10		Right to Life Every human has the right to life.

United Nations

Facts: Important Rights

Article 11

Situations of risk & emergencies

This means when there is an emergency, governments must have plans that help people with disabilities be safe.

Article 12

Equal recognition before the Law

This means that people with disabilities should have the same legal rights as everyone else.

Article 13

Access to Justice

This means that if you have to go to court as a victim or have been charged with a crime you should be treated the same as anyone else.

Article 14

Liberty and security of person

This means that your freedom is protected and you cannot be locked up just because you have a disability.

Article 15

Freedom of torture or cruelty

This means you cannot be treated cruelly, tortured or punished.

Article 16

Freedom from violence and abuse

This means you must be protected from exploitation and abuse and that there are ways for you to report if you are abused.

Article 17

Protecting integrity of the person

This means that the state must protect and respect who you are.

United Nations

Facts: Important Rights

Article 18

Liberty of movement & nationality

This means that you cannot be made to live in certain areas and that your travel cannot be restricted.

Article 19

Living independently in community

This means that the government must provide supports for you to live how you want, with who you want and as part of the community.

Article 20

Personal mobility

This means the government should provide aids to help people to get around.

Article 21

Freedom of opinion & access to information

This means that the government must provide you with information in ways you can understand like Braille and Plain English. It also means that you have the right to speak up and say what you think.

Article 22

Respect for Privacy

This means the right to personal privacy in your home and also that information about you must be kept private.

Article 23

Respect for home and family

This means that people with disabilities have a right to get married, have relationships and have children.

Article 24

Education

This means children with disabilities should be provided with good education and as adults have the right to lifelong education.

United Nations

Facts: Important Rights

Article 25

Health

This means that people with disabilities have the same health care as everybody else.

Article 26

Habilitation & Rehabilitation

This means that people are given the supports they need to be able to live independently.

Article 27

Work and employment

This means that the government ensures that work is equally available to all people.

Article 28

Standard of Living & protection

This means that people with disabilities must be provided with adequate food, clothing and housing.

Article 29

Participation in political & public life

This means that you must be able to participate in voting and that the voice of people with disabilities is included in government.

Article 30

Participation in arts, leisure & sport

This means you have the right to enjoy and participate in things like theatre, film, television and the arts. You have the right to be creative.

Australia signed the Convention in 2007 agreeing to improve the lives of people with disabilities.

Ideas to take Action!

Here are some ideas
for things you or your group can do:

Raise Awareness about UNCRPD

- This means telling people about the Convention.
- Tell your friends, your family and your day service.
- Learn about the UNCRPD and do a presentation to local schools, community groups, legal services and clubs.

Meet with your local member of Parliament

- Ask your local member what the government is doing to improve the lives of people with disabilities.

Be part of monitoring the UNCRPD

- This means you can tell the government and the United Nations Committee how you think the UNCRPD is going in your country.
- For more information on how to be part of monitoring contact the Australian Federation of Disability Organisation (AFDO):

Phone 03 9662 3324

Email office@afdo.org.au
