about Allycia

"I have been with **Loud and Clear** since the beginning and I love it.

I am an advocate for Inclusion for everybody.

I am a performing artist: I dance, sing, act and contribute to scripts and choreography.

I love the **Sunshine Troupe Inc** and we are celebrating our 10th anniversary next year.

I have been working on a powerpoint of all of our performances.

I am also training to be an Assistant Stage Manager.

Loud and Clear is important for all of us to talk about the things that matter to our community.

We are a great bunch of people who care a lot, but we laugh a lot too."
