

Things that are important to you and your dreams!

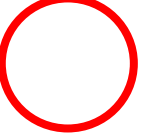

I like where I am living

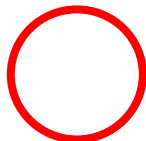

I would like to live somewhere else

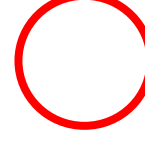

This is where I would like to live

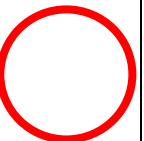

I am happy with my life

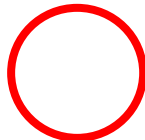

I am sad with my life

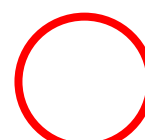

I would like to meet new people

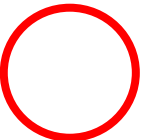

I want to go out more

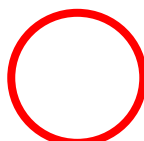

This is where I would like to go

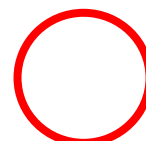

I would like to learn new things

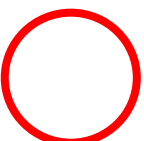

This is what I would like to learn

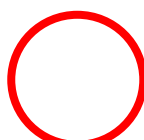

I would like a job

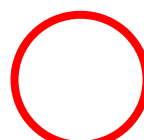

This is a job I would like to do

I want people to listen to me more

I want to have a say in my life and make my own decisions

I would like a girlfriend or a boyfriend
